

# Offer letter

19th January 2026

To Manish Sampatirao

Dear Manish,

I trust this message finds you in good health. It is with great pleasure that I extend a warm welcome to WNE3 Technologies Pvt. Ltd. as a Machine Learning Intern. Your duties with us will commence on 20th January 2026, and we are delighted to have you join our team.

As a growing company in the digital and AI landscape, we look forward to the fresh perspectives and enthusiasm you will bring. WNE3 is an innovative GenAI-focused startup building next-generation AI systems and platforms, and during your internship, you will have the opportunity to work on practical machine learning applications that contribute to our ongoing product development.

Your responsibilities will include assisting in the development, testing, and improvement of machine learning models, supporting data analysis tasks, and collaborating with the engineering team on AI-driven features and systems.

Throughout your tenure, you will gain hands-on exposure to real-world AI projects, modern ML workflows, and startup-scale engineering practices. We are committed to providing a supportive and collaborative environment to help you learn, grow, and build strong technical foundations.

Further details regarding duration, stipend, and formal terms will be shared separately.

If you have any questions or require additional information, please feel free to reach out.

Looking forward to a productive and enriching journey together.

Best regards,

Mohit Silla

COO

WNE3 Technologies Pvt. Ltd.
